

## Stopping Telemarketers

Visit [donotcall.gov.au](https://donotcall.gov.au)

The Do Not Call Register is a secure database where individuals and organisations can register, check or remove their Australian telephone, mobile and fax numbers to opt out of receiving most unsolicited telemarketing calls and faxes. Registration is free and you only need to do it once.

Once registered, your number will stay on the register indefinitely. If you need help with this drop into the NCRC. Please keep in mind this will NOT stop scammers, only legitimate telemarketers.

## COVID-19

With compulsory masking and the growing Covid case numbers we have decided to cancel Bean Bag Cinema events planned for March and April.

We are instead spending our time on Covid friendly activities such as the photo competition and exhibition, our pilot episode of The Northcliffe naturally Show, working on better NBN services for Northcliffe, installing ventilation in the new studio, helping people with their Vaccine Certificates, MyGov accounts and various Covid phone apps, and helping new Northcliffe residents get settled.
