

# ...a little CRC

## Highly Qualified

Gaye Van Hazendonk has finished her apprenticeship here at the CRC and now has Certificates III and IV in Business to add to her many other qualifications. A soiree was held here to celebrate her achievement with tasty snacks provided by Pip-pa Prescott. For the foreseeable future Gaye will continue to share her talents with us, working Fridays at the NCRC.

## Arrrgh! Movie Night

We were hoping to announce a kids movie screening shortly, *The Pirates! Band of Misfits*. This may have to wait a little while as our snazzy movie projector has died and is awaiting repairs.

## Photo Printing Quality

Did you know that Painted Tree Gallery is currently exhibiting 80 of the newly named Southern Forests Photography Club open-themed works? That's right, 80 of them. Maybe you did. But did you know that a large number of them are produced here at Northcliffe CRC? Our Epson wide-format printer produced prize winning prints for photographers including Chris Knight, Rob Baker, Georgia Clifford, Cam Smith, Sam Pitts and Wendy Eiby.

## Northcliffe Naturally Bag Swag

There is now an easy way to promote our town and businesses — the *Northcliffe naturally* shopping bag. Not only are these a great way of carrying your shopping, they also support the promotion of Northcliffe businesses and our town as a destination to travel and settle.

The tough canvas bag on the left has rope sewn into the handle which not only makes it strong but very comfortable as well. The bag on the right is calico. Both the bags have a boxed bottom stitching pattern. At this stage bags can be purchased at the Visitor Centre and the NCRC. We are hoping they will soon be on offer at Karri Country Good Food and other Northcliffe outlets.

*Northcliffe naturally* brand partners can purchase the bags at cost price—contact us for details.

Prices	NCRC Members	Non-Members
Canvas Bag	\$7.50	\$9
Calico Bag	\$4	\$5

## Is it Over for Windows 7?

Microsoft has announced that support for Windows 7 will cease on January 14th 2020.

Your Windows 7 will continue to run, but will become less secure over time, due to a lack of updates. An up-to-date virus checking program may help, but inevitably, Windows 7 will become increasingly unsafe.

You have 6 months to consider your options! Northcliffe CRC may be eligible to pay for an extra year of Windows 7 support (home users can't do this). Either way we will definitely be changing to Windows 10 by the end of 2020.

Monday, Tuesday, Wednesday 10 am to 5 pm • Thursday 10 am to 6 pm • Friday 9 am to 6 pm
