Constitution Changes

Our proposed new constitution is now online and open to comment by NCRC Members. You will spot the changes straight away due to the way we have formatted the document. The majority of the substantive changes are in response to the Associations Incorporations Act 2015. Once finalised, after any comments are considered by the committee, the revised constitution will be proposed to the members for approval at this year's AGM. Punch a Peck of Picks

The Pick Punch punches picks. Clear enough? ...I'll try again.

The pick punch can turn your old credit cards, ice cream cartons and other stray pieces of plastic into perfect guitar picks.

Collect enough plastic and in half an hour you could have enough guitar picks to last a lifetime.

You can use the Pick Punch for no charge at the Northcliffe CRC (donations always welcome).
